

## **14th Annual Photonics Clambake - Optifab 2013**

### **SPONSORSHIP OPPORTUNITIES**

Once again we will have the photonics clambake scheduled to coincide with a photonics show in Rochester, Optifab 2013 being held at the Rochester Riverside Convention Center on October 14 - 17, 2013.

SPIE's Optifab is held in Rochester in alternating years. This conference brings thousands of scientists, manufacturers and exhibitors to Rochester, NY. Optifab, created in partnership with SPIE, is the only conference in America dedicated to the fabrication of optics and optical assemblies.

Over 2,000 attendees and exhibitors from around the world are expected to attend this premier optics event.

Please join us in sponsoring this reception. The event will be held following the close of the show on:

Tuesday, October 15, 2013  
5:30- 8:30PM  
Hyatt Regency Ballroom

This reception during Optifab showcases our industry's hospitality year after year and has become a hallmark for visitors and locals in the photonics industry. Sponsorships like yours are what enable us to keep this event going at a reasonable cost to the attendees and continue to bring this conference here to Rochester. Please help with your generous contribution.

All Exhibitors and Attendees are invited.

Join our sponsors from previous clambakes: Ohara, Optimax, Schott, Sydor Optics & Universal Photonics.
