

October 8-11, 2024

The Roosevelt New Orleans  
A Waldorf Astoria Hotel

GOLD SPONSOR

The 2024 APOMA Technical Workshop in New Orleans is open for registration. The workshop focuses on the latest advancements in optical technologies and applications. Attendees will have the opportunity to network with industry leaders, while exploring cutting-edge manufacturing techniques and innovations driving the future of optics.

The vibrant cultural backdrop of New Orleans promises to enhance the conference experience with its unique blend of history, cuisine, and entertainment.

2024 WORKSHOP PRICE: **\$450**

Featuring: Opening reception, two days of presentations, happy hour, and LIGO tour.

- ✦ Pioneering progress; feature talks from Dr. Tayyab Suratwala, high-end metrology with Daewook Kim, PhD, Univ. of Arizona, and advancements in machine automation in optics.
- ✦ Friday Oct. 11th tour LIGO Livingston to learn about gravitational wave detection and explore the facility.
- ✦ Full presentation agenda coming soon
